1,000W HPS	$22.02	Large LED Flood	$22.02

NOTE: # INSTALLATION CHARGE IS CURRENTLY BEING WAIVED

*HPS = High Pressure Sodium; MV = Mercury Vapor; LED = Light Emitting Diode

Lafayette Utilities System

(L3 Continued)

(2) Fuel charge: See schedule FC

(3) Tax additions: See Schedule X1

(4) Charges for models having ratings varying considerably from the nominal ratings set out in subsection (1) of this section will be extrapolated based on the charges set out in subsection (1).

After the effective date of November 2022, all new service under this section will be provided using LED lighting. Replacements for blown HPS or MV lights for existing service will be provided using HPS, MV or LED lighting, at the director's discretion. The director may convert existing HPS or MV service to LED lighting at any time, at his discretion. No charge will be assessed for conversion of service from HPS or MV to LED lighting.
